*Hello and my deepest condolences for the loss of a wonderful woman. I am Howard Deans's daughter, Barbara, and I have been thinking a lot about the stories my mom and dad used to tell about growing up in Cahoonzie. I miss them all and fondly recall Bea at many of our family reunions and parties. Best to you all.*

*Bea gave so much joy to my friend Eli. He was so proud of her beauty and kindness. He always loved telling the story of their wedding and the "dessert" they supplied to the church dinner that night.*

*It's been many years, but greetings from the Whitney relatives in NH and Mass. Our prayers are with you all. Bea's husband Len was our mother's brother. We came often to Camillus and Sandy Pond with our mom, Harriett and our father Don. Bea was joyful and kind, and we loved seeing Len happy with her. I am pretty sure that two of us, Ken and Tim (me) played and sang at their wedding at the Church of the Bells. Blessings on you all, Ken, Dave, Dot, Gord and Tim Borchers.*

*I am so very sorry to read about the passing of Bea. Her daughter , Diane was one of my best friends at West Genesee High School. She was kind and good to everybody. I use to visit Bea at her home often. Diane, Bea and I use to share thoughts and laughs and girl talk. A very special lady indeed.*
