“ To Debbie's family: I had the pleasure of dealing with Debbie on a regular basis on various business matters. She was very professional in the way in which she did her job, while at the same time she displayed a great sense of humor and personality. I, like everyone else, am shocked at her death and am deeply sorry. I am confident that God is taking care of her, and I pray that He will take care of you as well as you mourn her death and celebrate her life. God bless Debbie, and God bless all of you.
