“ Even though he was with us for a short time, Don left an impression on all of us at Twin Trees! He had a kind spirit. Loved his work which reflected on all of us! His smile lighted up the room! He always expressed his love of his wife and children everyday. My heart is heavy. He was one of the nicest, kindest people I have ever met within our profession! “ To the Eaton family please know that our thoughts and prayers are with you at this heartbreaking time. Don came to Macs as head chef and made such a huge difference. His work was important to him and he took such great pride in everything he made. We have missed him since he left and we shall never enjoy fish and chips more than his. He told us ,with great pride, that the fish batter was from his english grandmother. He always took time to come tableside and he always wore a smile. He is in a better place but he will remain forever in our hearts.

“ Andrea, I can't say enough how sorry I am for your loss. Don was a person I met and thought he was a great man. He loved you and your kids very much. You could not only tell by the way he acted but in his eyes alone you could see the love he had for his whole family. Although Don will be missed by all anyone that even had one encounter with him will always remember him as that is the kind of person he was. He left lasting impressions on any one who met him. Andrea take those memories now and live them everyday because not only do you have the memories but you have 2 children that will forever remind you of all the good Don represented in life. My thoughts are with you!! Keith

“ I only knew Don for a short four months. He was the type of person that I felt I always knew. He made many friends here in Florida who will deeply miss him. We spent a great deal of time talking and the topic was usually about Andrea his wife and his two sons who he could not wait to get back to. Don was a loving and caring person and a great cook. He cooked for everyone here at the house and we never wanted him to leave, but we knew he had to go back home. He became like a son to me and a brother to all the guys here. I just want to say that his family will always be in my prayers. I guess I will have to hope that he is in a better place. DON WE ALL LOVE YOU AND YOU WILL BE MISSED SO MUCH. LOVE FROM EILEEN & FRIENDS AT RIO RECOVERY CENTER. Little Mike.

“ My thoughts and prayers go out to you at this difficult time. It is never easy to lose somebody who meant so much to so many people. But always know that he will always remain with you because you will always have his memories to look back on. Cherish the good times you had and it will help to ease your pain and sorrow. He was a good guy and a good father and Andrea he gave you the best gifts one could ever give. He gave you Tyler and Devin and they are handsome young boys and they are going to grow up to make their father proud. When you are feeling down and lonely just take a look at those boys and you will feel better. Know that our thoughts and prayers go out to you in this difficult time and also know that you have family and friends that love and care for you and your family and will always be there for you if you should happen to need anything. Remember Don may be gone physically but his spirit will always live on through your memories of him . He is an angel looking down on his family guiding and protecting and looking over all of the. God Bless.

“ To Don's Family, I'm tremendously sorry for your loss, Don was one of those friends who wouldn't hesitate to help you with anything, no matter how big or small. He always had a joke, or a smile to help anyone through the rough parts that life always threw at us. And so often it happens, that our lives lead us all in different directions, but he was truly someone I'll never forget. I'm sorry that I can't make it to the wake, but I'll be there in spirit.

“ To Don's family, We had the honor and pleasure of meeting Don when he was the chef at Mac's diner in Elbridge. We took to him like our own son. Such a loving, caring, proud man. He truly loved his wife and children. We talked often about doing something with him with either his dream of a catering business or bottling his sauces. He will be sadly missed. I am fortunate in that he did share a very special cobbler recipe with me that he said was his grandma's english recipe. I can still see his face when he handed me that recipe, with that grin. Prayers go out to the family, he will truly be missed.
