“ Judy, Phil, and Claud, I am very sorry to hear about Vernon. I remember so well all our "good old years" growing up in Fine. Going to Youth Fellowship, Sunday School. Blueberry picking up back of your home. And lots of memories of Vernon thru our years at Clifton Fine together. And our last time the class was a unit in 1963.

“ Time passes quickly like the wind on your cheek so it is important to spend time with family and remember the bonds that we have with each other all though Vernon is older than me and I am a younger cousin he treated me like a younger brother him and Claude would raz me when I was younger and I enjoyed the attention but he always treated all of us with respect and kindness I will share the bond I had with him and the family values he had for everyone family and it is and was important to Vernon and his family so what we all can do is show everyday one act of kindness to everyone in his memory God Bless with my love your cousin Steven
