“ I met JaLaine when we worked together at South Ave. (TLS) in the early 1980s. JaLaine was a natural at working with others. Her down to earth, sincere style put everyone at ease. She was never pretentious and, moreover, she embraced everyone for who they were. Her sense of humor made her a joy to work with and eased a number of difficult moments. It was such a blessing to work with people like JaLaine who made work an experience and not just a job. TLS attracted amazing people like her. We were more of a family than coworkers.

JaLaine worked hard at work and at life. Forrest was her first priority. She made it all work no matter what was happening at the time.

She and I shared a love of animals. I remember when a gentleman who lived at South Ave. brought home a dog he felt was not being treated kindly. It didn't matter to her, the more the merrier. That dog later warned a house full of people of a fire.

May heaven reward you, friend. May there be plenty of coffee and cigarettes up there. Thank you for sharing your gifts so freely.

Photos: JaLaine invited myself and another coworker Pam to her family home near Chicago for a few days. These pictures are from one of the days she took us into Chicago. The pose at the Sears Tower was real. JaLaine was afraid of heights and was holding on. JaLaine, Pam, and I were in the carriage photo.

“ Hi Janet!! Thank you so much for sharing. Everything you said about my mom is 100% true. Words cannot describe how much I love her and I will always miss her. She cared for me so much that I feel beyond lucky to have had her as my mom. She is the greatest person I have ever known. She was fiercely independent with a soft heart and willing to give everything she had to make others happy. On top of that, she was the “coolest” mom ever!!! I am lucky to have been her son and anyone who knows her, I'm sure felt lucky to be her friend.

“ I worked as a volunteer at TLS, with a great crew: JaLaine, David , Bill, Sharon, Frieda. Hope I haven't forgotten anyone??
 JaLaine was absolutely great to get along with. She always knew how to humor our residents and deal with just about anything put in front of her. Her laugh was infectious and her personality was great with anyone. She raised a son that grew to be one of her proudest accomplishments. She was so excited to attend his wedding . Her love of dogs and horses kept her busy, but her Labs, and The Pet Lodge really made her known all over.
 JaLaine, it was such a pleasure working with you and for you. We made our residents extremely happy, and that You should be proud of. I am so sorry that I hadn't seen you in a while, but I know you were busy, and I was too.

“ Hi Wendy!! Thank you for sharing your thoughts and memories. She could definitely handle any situation and she made it look easy. As a child, I am sure I tested her ability to handle difficult situations and I can tell you first hand, she never failed.

She was always there for me and I don't think I could be half the person she was. She just had a way of dealing with me that kept me on a straight path with never feeling forced. I will always miss her .

“ JaLaine and I shared such an amazing connection, discovered when we worked together, starting in the early nineties. Both had lived in/near Green Bay, Wis, then Columbus, Oh, then here in Syracuse. We remained good friends long after our time working together in the nineties, along with fellow Clarendon coworkers Freida and Sharon. The four of us got together at least a couple times a year, last in January 2020. I will always remember her quick wit, infectious laugh, and brave spirit. I love you, JaLaine, and will always miss you, dear friend.

“ Hi David!! Thank you for sharing. My mom was so excited to see all of you in January. In fact, it's all she could talk about before and after you all met up. She loved all of you and she very fortunate to have friends like you, Freida and Sharon in her life. Thank you for being such a long and great friend to my mom, it meant the world to her.

“ Forest, I remember when you were just a babe, the apple of your Mothers eye. She was always so proud of you, always bragging you up. I am so terribly sorry for yor loss.

“ I'm so very sad to have just learned of JaLaine's passing. She became part of my family's life when we first took our dog Ozzie to stay at Pet Lodge. She took such good care of him, especially as he aged. Then we were blessed to become the dog family of one of Bugs's puppies, the amazing Luna! Luna loved JaLaine more than anyone else. She was always happy to stay with her dog mom Bugs and her sister Violet and all her aunts and great aunts, and of course, her human mom, JaLaine. We will miss her very, very much. We hope all the yellow labs have found forever homes.

“ Very sad to read this notice of JaLaine's death. She was such a fine colleague at TLS for many years.
