

Lillian Mitchell

May 7, 1916 - March 3, 2019

Lillian Mitchell passed peacefully at the Elderwood Nursing Home in Liverpool, NY on March 3, 2019. She would have been 103 years old on May 7th. She lived on the family egg farm and chicken ranch on Rolling Hills Road in Camillus with her beloved cat Tee Te. She was predeceased by her parents Samuel and Annie (Adams) Sachs; her brother Raymond Sachs in 1997; and her husband Edward. Her parents were immigrants from Russia and England who ran the farm and ranch with Ray in Camillus and worked closely with Cornell and Syracuse Universities on agricultural research.

Ed and Lillian lived in the Los Angeles, CA area where she was a professional secretary at Hollywood Studios. She met many stars in her work and, in particular was close to Ernest Borgnine. After Edward passed and there was a big earthquake in the 1970's, she decided to move from California. She was then employed by the Legal Aid Service of the United States in St. Thomas, Virgin Islands. When she retired, she moved back to the family farm to be with her brother. Neither Lillian nor Ray had any children. She is the last member of her family.

At Lillian's request, she will be cremated and there will be no calling hours or service.

Arrangements by the B.L. Bush & Sons Funeral Home, Camillus.

“ I felt I had a mother in Lillian and she treated me like a daughter. My family and I will miss her jokes and her wonderful stories at our Holiday meals. May you rest in peace Lillian and I miss you.

“ Lillian was a very special friend over thirty years. It is difficult to find the words to express the sadness I have felt she passed away. I miss her and her very calm demeanor. Lillian often talked about her life growing up in Camillus and her travels throughout the United States. We had many, many interesting conversations. She loved going to Skaneateles and dining in the Sherwood Inn. Lillian also enjoyed fish dinners at Borios and sitting on the deck overlooking the lake. She also loved sitting by the fireplace at Nick and Angelos while having lunch or dinner there. Dessert at the end of the meal had to be cr me br lee. Soup or sandwiches had to come from Brooklyn Pickle on Genesee Street. We had a good time sharing meals at these places and many others, also shopping on Mondays at Wegmans.
R.I.P. my beloved friend!

“ I met Lillian about 9 years ago, and I was completely amazed by this wonderful woman. We became great friends as time went on. She encouraged me every time I saw her. We would have tea together and just sit there and talk. Lillian would tell about all the places she lived and had visited. She would always ask about my family and how they were. She had a heart of gold. I would ask her about politics and financial stuff, she was so smart. She adored her cat, and made sure that it was always cared for. That was very important to her. I will cherish every moment I had with her, every story she told, every token she ever gave me, (Lillian loved to go garage saling) I will see her someday in heaven, and I can't wait. Lillian, you will be terribly missed by so many. I love you Lillian.
