“ Lisa and I were great high school friends. I was in her wedding. Such a lovely person. In 1988 I purchased her family home on East Lake Road and lived there for two years. Although it was now such a different house then in the 60's, there were lots of great memories from those years. A great loss at such a young age. My sympathy and prayers to you all. “ Yes, very sad news. Lisa and I rode the bus together (ugh!)--Mr. Osborne our trusted driver. Her mom and mine (along w/neighbor Mrs. George) would play bridge on inner tubes! Though she's gone she is not forgotten. Peace be with you, Debby

“ How saddened and shocked we (Mother - Florence McArdell & Sister - Christine Cain) were to read of Lisa's passing. Although we have lost touch over the years, Lisa was a very dear childhood friend and our families were joyously close. As we grieve Lisa's passing, we also recall so many wonderful times and celebrations our families shared. Lisa's Mother taught me how to sew..something I still do and think of her with every project. Lisa's father once built a skating rink in her back yard and we aspired to become Olympic Champions. I could go on and on. So many memories. May God bless you and please let us know when there will be a service in Skaneateles. You are in our prayers. Catharine (Cathy) Cain East Lake Road
