“ Dear Carolyn, Ethan, Tyler & Family Members, I am still hurting from the loss of Martha. It helped me to come to Syracuse, to be a part of the service, and to see you. Martha helped me to be a better person. She was tolerant and gentle, not loud, or bossy, arrogant or rude. Martha could say something funny to make everyone see things in a less intense way. The way she cared for things unnerved me. She would feed abandoned kittens with a medicine dropper. She refused to kill the bat that lived in her house. I always felt lucky to be in her presence. I am with you in your loss of Martha.

“ Dear Ethan and Tyler, Your Mom was an exceptionally gentle and loving soul. My heart goes out to you both. I know she is loving and caring for you still. May you feel and know that somehow. Blessings be upon you. Matthew and I will be there on Tuesday. Love, Cynthia Barnett

“ To Martha’s Family and friends, There is no music in a “rest”, but there is the making of music in it. How does the musician read the “rest”. I see Martha beat the time with unvarying count, and catch up the next note true and steady, as if no breaking place had come between. If we sadly say to ourselves that there is no music in a “rest”, let us not forget there is the making of music in it. The making of music is often a slow and painful process in this life. We all know the pain of losing someone we love but rather than allowing sorrow and grief to rule our lives, we can turn even a time of tragedy into a growing experience when we give it to God. My memories of Martha are of her kindness and love to our family. She was a thoughtful and loving woman. She was always helping people and animals. She set a classic example with her life, and she touched so many lives. It is good to take something she was skillful and adept in and determine that we are going to develop that in ourselves. We will be following the good example that Martha has shown us. I always loved and respected Martha. I am sorry that I could not be there today. I just heard about the service on Monday night. God is with you and a present help in this time of trials faced. Martha is called aside from the world’s ceaseless stir of care and strife Into the shade and stillness by the Heavenly Guide Called aside to be with Christ to dwell Into the glade of healing and love I see her playing her musical instruments She is whole and healed and at peace. With Much love, Jane

“ I was shocked to hear of Martha's sudden passing. She was always so full of life and eager for another round of 3M (Martha, Margaret, Mary) mischief. I cannot be there to celebrate her well lived, but too short, life with all of you, but I will walk to the water tomorrow and blow bubbles in her honor.

“ K & T and all the family - we are so sad that Martha won't be here to share the joys of being a grandmother. I know she would have been as wonderful a grandmother as she was a mother. She always found the best in everyone and will be greatly missed by all who knew her. Wish I had known her better.

“ To Martha's family and friends, I had the pleasure of working with Martha all of the 23 years she spent at Fowler. Her smile will be missed along with her strong desire to support our students. She was a wonderful teacher. She will be missed but not forgotten. Her spirit will live on through all those that were lucky enough to cross her path.

“ My sorrow is immeasurable. The shock - undeniable. I wish to express my most sincere sympathy to Martha's surviving family. I am so glad that I was able to introduce marimba music into her world for her to enjoy these last few years.

“ To Martha's Family & Band Members, It was always such sweet bliss to hear you play and carry away the feeling of love and spirit within. Thank you Martha for being a part of the Fowler team where my son, Adam graduated in 2003. Enjoy your flight.

“ Ethan, Tyler, and Family - I was stunned when I saw the paper! I am so sorry for your loss. Martha and I graduated from SU together in 1986. Martha, myself, and a third friend, Carrie Walker, spent many hours studying, encouraging, and supporting each other through to graduation. Carrie and I had nicknamed her "Wordy" - she was always the last one out of every test and exam because she knew so much more, and would never leave out even the smallest detail! We all lost touch as our new careers took us to different areas, but I never forgot her, and will always love her. My sincerest condolences for your loss.

Maggie Dorsey-Nocilly - May 03, 2009 at 12:00 AM

“ To Ethan and family, Let the Lord be your strength in this very difficult time. Trust in God and He will see you through. Psalm 28:7 says "The Lord is my strength and my shield; my heart trusts in him, and I am helped." Try to remember that. My prayers are with you.

“ Dear Carolyn, Ethan, Tyler and the rest of the family. My thoughts and prayers are with you all. Martha will always be with us in the music she shared with us, the dog walks and fond memories of laughing at ourselves. I looked forward to those days when I came home and she was in the backyard playing with Bob and Bernadette-- we had some pleasant chats then. She will be missed.

To Carolyn and Ethan, I'm with you in spirit now and will be with you in person on Tuesday...Love, Bob

“ I loved to open my windows in the summer and listen to her music as she gathered with friends. Our "driveway meetings" to talk about our dogs and school were mixed with talk and laughter. “ To the Jenks Family. I have worked with Martha for 11 years. My last memory was last Friday-she was telling us at lunch about watching her son's band. She performed the song of the previous band and had us in stiches. She didn't have a mean bone in her body. Martha-we love you and you will be missed at Fowler.
