“ David,

I was so sorry to hear of you mother's passing. My family lived next door and your Mom and I went to school together from sixth grade through high school. In fact, we were in the same grade. I have not seen her much since then, but I would hear from her at Christmas. She always wrote news of you, and was very excited about your activities. I have rarely known of a mother who was so excited at the arrival of a child. You were the love of her life.
