“ Marmar, Papa has left us with so many great memories. It's impossible to think about him and not chuckle. He was always up to no good and so good at it! He made it a priority to have fun on a regular basis. He also was a true example of what an awesome father & grandfather should be. He had a way of making everyone feel special and truly loved. Even our children felt sooo special when they were around him. The boys will never ride another golf cart without Papa echoing behind them to "be careful". Charlotte knew from the beginning that was one face worth laughing for :-)) We miss him sooo much!!! He was and always will be a large part of our lives. With love, Derek & Tiffany

“ Papa...I will cherish the times we spent together, our breakfasts at the Old Tyme Cafe, visiting you everyday after I came home from school. Our trips to the woods riding in the wagon behind your John Deere tractor. I remember the special T-shirts you bought me "Grandpa's Side Kick" and "Grandpa says I'm a keeper". Our fun projects, helping with the sun dial and building our waterfall. I enjoyed receiving the letters and pictures you sent me from your travels around the country. I love and miss you, Todd, aka "The Kid" xoxoxo

“ Dear Pat and family, I would love to praise you and Neil for your years of commitment and love to each other. It's a love that will never end and with God's word and promise, we will all meet again. And living that belief will sustain you and keep you connected to the one's you love here on earth and those you love that pass. And the reward of the belief is Neil will always be there with you. When a story of him is told, when something he did or said makes you laugh, a visit in your dreams or a sudden fluttery of the heart, you will know he is there and lives with you forever. And of the many gifts you two have shared in this world I would like to thank you and Neil for a gift you given me. Because of you two, I have a friend of almost 50 years, a rare life long friend, and she is a treasure of goodness and love. Though I haven't seen Scott or Jeff for countless years no doubt they too are a great reflection of you and Neil. May Neil rest in peace and all of you continue to live the way he would want you too. You are a wonderful family and may God bless you all. Pat Knowlton

“ I've only known Neil for a short time as compared to many here, but he sure was a man who made memories happen... and who made me feel very welcome to the Rosekrans family. I think the greatest gift we can give to others is memories... Neil's smile and wit, his trip down the bank at the shack, sharing coffee in FL, the Pink Bug, the willing hugs... so many memories in a short time. My prayers are with all of you. Prayers made from a grateful heart.

“ Elaine forwarded the notice to me. I'm sorry to hear about your loss. As I lost both my parents in recent years I kind of know the feelings. I think of them every day and it helps to remember the good times. My thoughts and prayers (although I don't usually pray a lot) will be with you. Best wishes, Steve

“ When I think of Uncle Neil, I think of horses and farms and Cricket Hollow and visiting at Christmas and picnics. I think of Neil walking into a room, and everyone getting this feeling of anticipation, because something fun was going to happen. As a kid, nothing is more engaging. As an adult, I hope to create that same feeling, that anticipation of fun. I think that is how it is with dying; you pass on the best of what you were to others, and those left behind are comforted by what they see. I also think of Neil and Dad and "Lennie John" back together again, and I believe that God has his hands full this day. Still, what can assuage the emptiness left after his passing? He leaves behind a loving wife, fine sons, a wonderful daughter, so many children with happy memories of a loving grandfather and uncle. Neil always had the respect of his fellows and the love of his family. These are all confirmation of a life well lived. Who can ask more? With love and sympathy, Joel

“ Mom.....You and Dad were the best parents any child could wish or hope for. I have so many fond memories I will cherish always. My special times with Dad... the trips to the P.O., horseback riding, our family car rides, our fun and exciting sleding behind the car up and down the road, our trips to the T.I.P with the Wagers', living with the Mallores' while our house was being built. Too many fun memories to mention.... What a Fun Dad we had!!! Dad you were there for me though good times and bad, but most important the unconditional love you gave me. I Love and Miss you!!!! In my heart forever.... Laurie xoxoxox

I'm very lucky to have met your daughter & been welcomed into your family. I am going to miss Neil's sense of humor. He was one of a kind & I will always remember him. I can't tell you how sad I feel for your(our) loss. I hope to stop over this evening to give you a big hug & to see how you are doing. Love Always, Ed

“ Pat you have been in my thoughts and prayers and I know it was not easy giving up your "Sweetheart". It's hard to believe we have known you and Neil for 34 years and I know you all did something right because you gave us a very special "Son in Law". We do love Scott. We have always looked forward to your visits to Texas and now I guess it will be to Port Townsend. We love you, Robert & Sally

“ How sorry we were to hear of Neil's passing, but want you to know how blessed we feel to have known him. Many memories are in our hearts, but the one that stands out to us is your extended stay at Double Lake. What fun for us to be able to just stop in to visit and steal you away for a few shopping trips! You and your family are in our prayers as you go through this most difficult time. Love, Dalton and Linda Currie

“ I have been blessed in my life to have such wonderful grandparents. Even though we were far away, Papa was such a fun and loving grandfather and I will cherish every memory I have. Our trips to New York were some of my most fond memories. Papa always made us feel so special – especially when he took “his girl” out to breakfast at some of his favorite places. How special that makes a little girl feel! I know that this is a tradition that my dad will continue with my child. Papa, I love and miss you! Thanks for being such a loving grandfather.

“ Aunt Pat, With the recent passing of my father (Dick Gibbons) and now Uncle Neil, the fourth is now in place for Jarts. We all remember Gramps (Lynn Austin), Pa (Adrian Gibbons) my Dad (Dick) and Uncle Neil all playing out on the many picnics and family get-to-gethers. I can still hear Uncle Neil's laugh and his saying "You dogged it!" I also remember the many weekends at your house where we would watch movies and eat popcorn out of the old wooden bowl that you lined with wax paper. I still have the bowl. It is one of my treasured possessions. Uncle Neil-- Thank you for the grand memories--never losing a basement or a tree stump (Warners Fire) when you the Chief, horse back riding and just having a good time. You will be missed by all. Rick, Donna, Stephanie, Tommy, Angelina, Daniel, Ricky and Jamie.

“ Thanks, Uncle Neil for being a wonderful friend after my Dad (Alby Wager) passed away when I was a kid. You were there to help fill that void by providing the hugs and laughter that I needed during my teen years. I'll never forget regular visits to your home for lunch and dinners, swimming in your pool in Warners, your Chinchilla business, road trips and candid conversations about life. I will miss you. Aunt Pat, I love you with all my heart and my prayers go out to you, Scott, Laurie and Jeff. Love, Rick

“ I have alot of great memories of my childhood growing up with the Rosekrans in Warners. They were our neighbors and our friends. From Laurie babysitting us to seeing Mrs Rosekrans getting her hair done by my mom. Any time you were with Mr. Rosekrans he had a smile on his face and always joked with us. Even now I'm smiling thinking of him coming over to our house and the big joke was "where's (my brother)John, in bed?". John was always in trouble and in bed early every night. Mrs. Rosekrans, Laurie, Jeff & Scott I am very sorry for your loss and will never forget your dad, he was very kind and a great man. I'll keep you all in my prayers. “ My sincere condolences, Pat, for the loss of your husband, Neil. It's a hard thing to cope with. I know - I've been through it. And my friend, Barbara, just lost her husband of 57 years together (he was a twin brother to my husband). If you want to talk with someone - any time - I'd be happy to talk with you. As you know, I'm the gal in Apt. 223, who writes the newsletters. But I've been through it and sometimes when you're going through the grieving process, it helps to talk to one who's "been there." You're in my prayers. Jean Grandinetti

“ I have been blessed with the greatest in-laws for the last 34 years! I'm so thankful that we were there last Thanksgiving to spend precious time with Dad. In his typical sense of humor, as he, Scott and I were driving to Laurie's house, he said "is that my favorite daughter-in-law in the backseat?" I replied, "yes it is, and nevermind that I'm your ONLY daughter-in-law!" Of course, he was chuckling the whole time. We will miss him and always cherish the wonderful memories. I love you...Teresa

“ I saw Uncle Neil this past family reunion and he was able to meet my 3 year old daughter, Aiyana. He took delight in meeting her and seeing how much mischief she gets in. I will always remember the smile on his face when watching Aiyana challenge the world around her (mostly me).

“ Dear Pat: Sorry to read of Neil's passing. It's been sometime since I had the pleasure of visiting with both of you at your State Fair craft booth. You and Neil have always had both my respect and friendship. I will miss the "MAYOR" of the craft village. My best to you. Stay strong and God bless.

“ I'm going to miss my Grandpa so much! But I'm so lucky to have had him in mine and my families lives for so long. I was able to spend alot of time with at the end of last year and it meant so much to me. I'll always remember all his stories and how he'd always refer to my daughters (Jenna and Emma) as "my girls". But I'll mostly remember how much he loved my Grandma Rosie and that their love was what we'd all wish for ourselves. We Love You Grandpa!!

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Neil leaves an indelible imprint in our memories. Find comfort in knowing that our lives have been enriched by having shared his love. You are in my prayers.

“ I thought it was so "neat" (and that word dates me!) to have an uncle who was a teenager, when I was (barely) a teenager; then, by golly, he married a beautiful and wonderful girl (my Aunt Pat), who was also a teenager. Memories of fishing in the Canandagua Outlet, riding the rapids on a rubber tube; campfires with bacon on a spit, and baked potatoes buried in the ashes; fighting over who got the hammock, picking wild blackcaps, making catnip tea; and listening to the hootie owls, while grandma told stories; then, there was grandpa's violin singing out "Pretty Redwing." Oh I thank God for those memories. Neil, we will miss your engaging smile and great sense of humor. May God bless and salve the aching hearts of your beloved family. Shalom, Your neice, Suzanne, and Clayton Murphy

“ I was thinking today about how long Fred and I knew Neil and Pat. I think it's been 28 years--hard to believe. Also hard to believe that Neil has left us for a short time -- until we all see him again. I'll miss the laughter we always shared. I always loved his sense of humor and Fred always had great respect for him. I will miss him and Pat, you're in my thoughts, as always.
