“ I was shocked when I heard the news of Pam's(Mrs. Vos) passing. She was like a second mother growing up. In my heart I hold fond memories of her. For example cruisin around in a yellow volkswagon, (crazy driver), the christmas ornaments she gave me growing up ingraved. Must of all the talk we had on Robins wedding day. My deepest sympathy is sent to her family.

“ Though we didn` t know Pam that well, we will really miss her in our neighborhood. My husband, Ed and granddaughter Ashley, enjoyed the chats they had with her at the grocery store. Our hearts go out to her family, and she will be truely missed on memphis street. Donna, Edward and Ashley

“ I am still in shock after learning of Pam's sudden passing. Seems like just yesterday that we were talking and laughing. She was a dear friend to me and treated me like a sister. She gave me her dear Buddy, the blue-front amazon parrot about 9 years ago. He's the light of my life (as he was hers)and reminds me of Pam every time I look at him. We found comfort in each other and our friendship was cherished by both of us. I will never forget her and hope to see her on the other side one day. Love forever Pam. May your friends, family and children find comfort in their memories of you. I know I will. With deepest sympathy, Carol Wilson North Carolina

“ Dave and I were so sorry to hear about Pam's passing. I last spoke with Pam at Christmas time last year and had hoped to get together with her. Our deepest sympathies to all of the family. Of course our memories of her children, Kris, Robin and Pam are very old memories, as you cannot be children forever. Pam will always hold a special place in our memories and our hearts. “ I for one will miss Pam vey much. She always knew what to say to get me going and I her. We did share some laughs. Pam was also good to my young daughter, Darcy. They had plans to attend a special convention next spring. I wish they could have gone together last spring. Pam will be forever in our prayers. Linda and Darcy
