

Sally June Campagnone

October 20, 1943 - July 1, 2020

Sally June Campagnone passed away peacefully after a courageous fight with leukemia on July 1st, 2020. Born 76 years ago on October 20th, 1943, at St. Joseph's Hospital in Syracuse, NY, Sally was a lifelong learner with a big heart. When she wasn't making us laugh, engaging us with thoughtful stories, or sharing meaningful wisdom, Sally enjoyed trivia, crocheting, playing the piano, and riding her bike. Among many personal passions, Sally loved collecting all things cow-related. But mostly, she cherished spending time with her loved ones.

Those who knew Sally will miss her strength, guidance, and zest for life's pleasures. Always genuine, Sally expected the best from people, and those who knew her rose to meet her expectations. Her heart was generous, and she committed herself to help everyone she knew. No matter how you knew her, Sally sought to uplift the people in her life. Whether she was giving you belly laughs or providing deep insight, when you spent time with Sally, you knew you were loved.

Although she was a proud native of Elbridge, NY, she made time to travel the country and experience its grandeur. After retiring from US Airways, she split her time between New York and Florida. In Florida, she made meaningful new friendships with her neighbors, who recall Sally's bright personality and honesty.

Faith was important to Sally. For over 50 years, Sally was a committed member of the Elbridge Community Church. She had also recently joined the First United Methodist Church in New Smyrna Beach, Florida. Sally loved the hymns and getting lunch with her friends after Sunday services. Additionally, she served her local community by donating many of her crocheting projects to help those in need.

She was preceded in death by her parents Clarence and Rita Wall, her husband Anthony, and partner Andrew Makal.

Sally is survived by her loving children Sandra (Stephen Fogus), Robert (Robin), David

(Rose), and bonus children Carrie Chapman and James Makal — as well as her sisters Beverly VanBuren, Barbara Fowler, Diana Winarchik, and Cynthia Wall. She loved every member of her extended family, including grandchildren, nieces, nephews, and more.

Services in New York are private. Burial will be in Maple Grove Cemetery, Jordan.

A celebration of Sally's life will take place at a later date in New Smyrna Beach, Florida.

Arrangements by B.L. Bush & Sons Funeral Home, Camillus.

“ David and Rosie, It is never easy to lose a loved one, and it is especially difficult to lose a mother. My thoughts and prayers are with you and all your family in your time of grief. I did not have the privilege of knowing your mother, but I know how much she meant to you - and you to her. So loved. Please accept our condolences. Sending you hugs, prayers and support.

I will miss her laugh. I loved her very much. I can see her in heaven playing cards and dancing the jitterbug.

“ Cousin Sally could light up a room when she entered. She was in the older group of cousins so I babysat her children. We became closer as we aged..I will miss catching up with her at the farm or in FL when I visit my Mom...so many memories looking forward to seeing her again, in heaven...

“ I feel fortunate to have shared a chapter of her life while working with Sally at Usair. Somehow, through all the stress and injustice we encountered, Sally always found the silver linings.

Her laugh was infectious. Her positive attitude was contagious.

Her smile filled the room. I always bristled when people called me Jeannie instead of Jeanne, but when I would be upset, Sally would calmly say “now Jeannie...” in her sweet way, and she could bring me back from the edge. She was in touch with nature, her stories of the cows around her home were delightful. I loved to make her blush. I will always hear her giggle when I think of her. I was also glad to reconnect with her recently. Rest In Peace dear Sally. Jeanne (companion) Parks

“ When we were in Sugar Mill Ruins campground Sally found out I liked photography. She invited me to attend the camera club with she and Andy. She so loved seeing the birds and taking part in the monthly competitions. We had lots of fun going to different nature preserves and other places to take photos. She was a great friend and will be dearly missed by many

“ Sally was the best. She brought joy to everyone that knew her at USAir. Although I have not seen her in 20+ years, she still brings a smile to my face when I think of her. The world will be a little sadder without her.
