Sharon Tuthill, 71, of Warners passed away peacefully on Friday, August 20, 2021 at Francis House following a recent diagnosis of cancer. “ I have wonderful memories of working with Sharon at the S-1 Building on the Van Duyn campus in the late 80's. I learned so much about cooking and flowers from her. We shared our pet stories and had out pet talks and had so many laughs. I still recall certain things she said that cracked me up. I am so stunned and sorry. My heart goes out to her family - including her pets, who will miss her so much.

“ I knew Sharon through the Master Gardeners program, and I got to know her better when we worked the MG table together at the NYS Fair a couple of years ago. She was so much fun, with her wry observations and sense of humor, and we really had a great time. I had been hoping we could work together again at the fair this year, and was so shocked to hear of her sudden illness and passing. My deepest condolences to the family — she was a unique and creative individual, and she will be greatly missed ...

“ I met Sharon through the Onondaga Master Gardener Volunteer Program. We worked on several projects together, the most recent being the renovation of the Locktender garden at the Erie Canal museum in Syracuse. Sharon was knowledgeable, dedicated and her sense of humor was a delight! I will miss her as a volunteer and a friend. May we think of her whenever the flowers bloom in the perennial garden.
