“ To the Dross Family, I am so very sorry to hear of Walker's passing. My thoughts and prayers are with you at this very difficult time. Although Walker and I didn't know each other during our days at Ridgewood High, we later connected through Classmates and Facebook and quickly became friends. Walker was a very kind person and a true gentleman. I will very greatly miss receiving his kind emails, almost daily Facebook wall posts and seeing his wonderful photos, as well as receiving his advice about gardening and photography, both of which he was very talented at. I feel honored to have gotten to know him through Facebook and to have been able to tell him several times, the last being in a 1/14 email, how much I truly cherished and appreciated his friendship. Walker will indeed be very much missed. Sincerely, Ruth Rothschild

“ My sincere sympathies go to the family and friends of Walker. It was so good to see him at our last RHS reunion. I'm so glad that he made the commitment to attend. My fondest memory was going with a large group to a pre junior prom dinner at the Duck Cedar Inn. (and he looked so handsome in his tuxedo!) My late husband and I actually bought the home on East Ridgewood Ave that Walker had grown up in. We raised 3 BOYS there, too, and my husband practiced Dentistry! Walker was a gentleman, a pleasure to know and call a friend. I loved how his sweater and socks always matched! Heaven's gardens will be even more beautiful now. Debby Muster Monroe Tarvin

“ I am so shocked to have lost this good and kind friend. I went to RHS with him, but came to know him best through Facebook. His almost daily emails were full of life, with advice about gardening, cooking and just thoughts of the moment. He was a good friend and I already miss him.

“ Dear Harry & Karen, Bill & Betty, I'm still having trouble believing that Walker is no longer with us. He was the closest in age of all of you to me, his cousin. He was the best person (other than my Mom) to talk to when the competition playing ping-pong or basketball at your house in Ridgewood got unspeakably competitive. I will miss him very much. Love to all of you, Bunny

“ I never met Walker in person and Bruce had not seen him in many years but he seemed to be a friendly soul. He sent us lovely cards with personal messages for any occasion that he seemed to think would require them. He kept in touch with his aunt who is Bruce's mother by telephone and had a long friendly talk with her not long before he died.
