“ Mr. Roenbeck, I can remember as far back as possible, and Bill can be found in the majority of those memories, be them good and not so. He was the kinda guy who it was hard to stay mad at. I can fondly remember trips to visit Bill at your house and always being met with an offer of a sandwich. Im not too good with this sort of thing, but i can promise that his memory with me will always live on as the fun and loving Bill I once knew. Mr Roenbeck, I can promise that the memory of a person like Bill will live on in the people who really cared for him. Im always here when you need.

“ It's been a little over a week now and I still can't believe you're gone. Every day my mind goes back to happier times when you were growing up and all the joy we had. I really enjoyed seeing you these last few months you were down here in Westchester. I will miss those talks we had hanging out in the backyard having a cold drink and cooking on the BBQ. I remember when I took you to the train station that Saturday morning to go back Syracuse. You hugged me and said I love you Uncle George. If only I knew I wouldn't see you again I would have never let you go. Well you are with Mom now and I bet you two have a lot of catching up to do. You are truly loved and missed. You are in my thoughts every day. Love Uncle George

“ I met Billy a few months back, and gave him a job, His grandmother Jenny was like an aunt to me. He was always on time and very courtious to me and my customers. He is sadly missed by myself and the people he worked with/for. He was a Good kid. Rest in peace my young friend. From your Friends At Custom A/V, the Computer store and Delvechio electrical. Again be at peace.

“ Billy, I was just getting to know you and now you are gone. I was so happy to see you again after all those years. When Eddie Recchia brought you to my house that day and told me you were Nina's son I almost cried. I was so excited to see you and you looked so much like her, especially the eyes. The long talk we had the day before you left to go back home was such a great talk because I found out so much about you and you found out so much about your mother and how wonderful she was. My heart is so broken for your grandmother, Jennie. She adores you. You are part of her beautiful daughter who she misses so much. At least now you are in your mother's arm again. I know how much you missed her. Watch over grandma and your uncles as they always watched over you. I know things were not always easy for you but now you can rest, none of those things matter anymore. To Billy Sr., please except my sympathy on the loss of your son. He tried real hard. Truly he did. Remember the good times. I am Nina's cousin Kem

“ Bill Roenbeck will always hold a special place in my heart. I grew up with him in school in Marcellus, we became friends and then he became one of my first boyfriends. I will always remember the great conversations we had and the many laughs we shared... I remember spending school field trips and events with him... I remember him being adventurous and always making light of a dull moment. He was a true gentleman and always valued his friends. My sympathy goes out to his father, William, and his family and friends. My thoughts and prayers are with you all. May the Lord bless you, Bill. I will always remember you... Sincerely, Heidi and the Myers family

“ It is so hard to find the right words at a time like this. But Bill please know I will never forget you. I remember when you stayed with us for awhile right after Devon was born and you and I would have long talks about everything. You were so nice to me and honest with me which I really appreciated. And I will never forget how much you loved my boy and you were always so excited to hold him and play with him. I saw such kindness and generosity in you then. I also know you are up there with your mom right now and I know how happy that has to make you, you always missed her so much. Rest in peace Bill and know there is a lot of people that you left behind that will hold you in their heart forever! To Mr. Roenbeck I am so sorry for your loss and my prayers are with you!

“ My deepest condolences to the family of Bill. I had the priveledge of becoming friends with him a few years ago through my brother Mike. Bill was a great person who would do anything for his friends. I remember for my Birthday right after we started hanging out he got my tatoo filled in for me because he was sick of looking at the outline! But that was just the type of person he was, always giving to the people around him. You will be greatly missed Bill R.I.P

“ I will never forget the day my son Ben and I moved into our new house. We were busy hauling boxes in and up rides Billy on his bike. Exuberantly introduces himself, started taking stuff out of the car, and talked non-stop. And that was how it always was with Billy. Many nights Ben would be up in his room and Billy would be downstairs with me just gabbin'. He touched many lives in his short time here and we will never forget him, ever. I'm sorry for his loss and his pain. But I'm glad he is in his mom's loving arms now and has found the peace he so deserves. "Mrs. Burr"

“ Billy has always held a special place in our hearts. The last time we saw both of you Billy was 9 and I took him to trick or treat at the Watertree neighbors while you visited with Jim. We remember how excited you both were to spend your first Christmas on Slate Hill Rd. The four of us went to the Creekside and after enjoyed looking at your Christmas tree and photo albums. We may have lost contact but what wonderful neighbors you and Billy were. Our prayers are with you. Jim and "Mrs. Grant"
