“ Aunt Doreen, Uncle Joey, I don't even know what to say. I have so many fond memories of Adam growing up, your pool parties, spending our free times together during college and having lunch at our house. I can't begin to imagine your loss and I'm unimaginably sorry. Adam was a wonderful young man.

“ My name is Kathy Schilling and I am Matt Schilling's mom. I have known Adam since he started kindergarten with Matt, Justin, Andy and DJ, just to name a few. I recall "many adventures" with these guys, including school trips where I was chaperone to these "active" boys, pool parties at our home, BMX adventures and whatever went on in those woods behind Maybelle's house! They lived life on the edge and had great fun together. As a man, Adam helped us with projects around our home, including "filling" that same inground cement pool he swam in as a kid. It was NOT an easy task, but he found a way and we were very pleased. We were also confident every time there was a winter storm that our very long driveway would be plowed and we would not be late for work. I sometimes noticed that he plowed during the night to keep up with the accumulation. He was someone we could count on. Extremely responsible and serious about his tasks. He will be so very much missed by our family. Please accept our deepest condolences. Adam will not be forgotten by us.
