“ imagine my suprise when i found my highschool principle had become my patient. i was the night nurse on mr tallmadges floor @ van duyn. i would sit and talk to him when he was having a restless night we had the best time talking about people, places and events back in the 60's & 70's and about the current status of the lacrosse team, what a delightful man i am so glad i had that time with him i will treasure it always.

“ Dear Linda, I received the obit today from Joan's friend in Syracuse. It is a sad day for me. Your Dad was one of the most wonderful men I have ever had as a friend. He was so great to Art and I through all the years of our friendship. There are many local residents who still ask for Al and they will be saddened by this news. Please know that you and all your wonderful family are in my prayers. Love, Lil

“ There was not a better school or principal in the '60s. Attending West Genesee was excellent preparation for further education and life in general. How wonderful to have had such a long, valuable life! Thank you for sharing it with me and thousands of other students, Mr. Tallmadge.
