“ Dear Herb, Ann, Cathy & Peggy, To continue, I expected to see you today. When I called my substitute to teach at the DVS in Albany this evening she said she could, but hours later she phoned back and said that her husband could not drive her home from the DVS, and she cannot drive in the inner city in the evening. So I will fulfill my obligation to the women at the DVS. Every other week, it's almost a whole new group of women. Angela would say that I should not miss the opportunity to tell these young women about the glorious Truth of the only-begotten Son of God, the only hope of the World, our Lord, our Savior, Jesus Christ. Love, Sally

“ Dear Herb, Ann, Cathy & Peggy, husbands, children and grandchildren, You have my deep sympathy in this time of bereavement. Angela was my good friend for nearly 49 years. Sunday evening I was deeply impressed to call Angela, but it was getting late and so I waited for a morning to call. The next morning I was miles away in Queensbury fulfilling a commitment. I will miss Angela but expect to see her again. It is my prayer that the circle will be unbroken. Love, Sally
