“ Gary and Family what can I say but I feel your pain. You mom was a great lady. The loss of a mother is difficult but the memories she has given will live forever in your heart, also mine. If you need anything of me call. Always Your adopted older brother and friend.

“ Dear Gary and family, I just heard about your moms passing. I remember the month that I lived with your family 1967-1968. Your mom was a great cook and a special lady. I remember the "sloppy joseph" nights, and Pepe the dog. You are in my thoughts and prayers. your cousin Gail'Garito'Frayer

“ Dear Gary and family, I was so sorry to hear of Aunt Lee's passing and sorry, too, that the years crept by and I had drifted so far away that I hadn't seen her in many years. I didn't see Aunt Lee's obituary in the paper until this morning (yes, in my usual fashion, I was a day behind in reading the paper) and, unfortunately, was not able to arrange the time off from work today, or I'd surely have been there with you at the calling hours and funeral. Interestingly, when I saw the obituary and mentioned it, I discovered that my youngest daughter's future mother-in-law is related to you. What a small world. My thoughts and prayers are with you, Jackie
