“ Dearest Nan: Natural talent, intelligence and integrity are only a few of the attributes that describe someone like your Mother. This combination earned her the respect in the "Community" that she built. Although this is a painstaking time for you, and your family, rest assured you have all learned and gained from her. May the good Lord give you courage as you turn from the silence of the grave to the tasks of life. My heart goes out to you. Sharon

“ Back in the 70's, I had the honor of working with Anita at Oneida Ltd, in the Design Dept. For many years, thoughts of Anita crossed my mind. Her presence, boast of kindness and independence. Anita was a LADY and was a joy to work with during her time at Oneida. We all missed her when she left to persue her future goals. My deepest sympathy to you all, as I know your loss is so great. “ Our thoughts and prayers are with all of you during this very difficult time. Anita was a wonderful person who was a very important part of our family for many years. I'll always remember bird watching, talking about current events for hours, her passion for cats, sharing quiet holidays with Anita and Lou. As another chapter closes in our lives, there are so many left to open. Rest in peace. Love, Jim, Kathy and Shawn Tsotsi
