“ I'm so sorry to hear about Ann. We met when I joined Garden Center Association of CNY, where I learned a lot from the workshops she led. She also made beautiful dried flower arrangements which she sold to benefit the Fairmount Garden Club. A number of years ago Ann gave me 5 Ornithogalum bulbs which have multiplied more than tenfold. I always think of her when I plant them each spring and enjoy their flowers every summer.

I too am sorry for your loss, Kathy and I have a pretty small arrangement she made to take to for my home. I was just looking at it and thought of her! It was a privilege to know her and care for her briefly. 🙏🌸💕

“ I worked with Ann many years ago at WTGrants and later at Coca Cola. I just adored your mom, she was the sweetest, kindness, most gracious lady it was my pleasure to know. I still have flowers in my garden that she gave me a few years ago when i ran into her at Camillus seniors. I will treasure them as I remember her. Laura Bigness
