“ I miss her everyday and the stories of old...I found her notes on the deep sea fishing trips 1968 so funny. I surely miss the smiles...Rest in Peace see you soon....

“ To Ana May's family, Please accept our sympathy on the loss of your Mom. We met Anna May and Rip at my father's Kart Lounge many years ago and had such fun with them both there and at our home in Marcellus. Anna May love to come over and eat lobster. And, every time she did, it was "the best she ever had"! We built Mrs. Cardiff giant together! We have many treasured memories of your parents. Our prayers are with your family at this difficult time.

“ Anna May and "Rip" are such a huge piece of my past and I am so glad I decided to read the obituaries today as I have been thinking about them and Tim. I approach my 50th birthday this year, the same age as my mother Marge when she passed away. I have been remembering her good friends and your parents were right at the top of that list!! Although many memories are vague and brief I can see your mother's smile and hear her laugh. She was such a good and kind friend to my mother and I think my mom would definately have referred to her as fun :) I am so sorry for your loss but I am sure she is so happy to be reunited with those she has probably missed for some time. My thoughts and prayers to all the family. This can definately be referred to a fond memory blast from the past. Take care Shelly (Clemons)Sisson
