“ Dear Jen, Sue, Dennis: I am so sorry that you have lost your mom, Aunt Arlene. I will always remember her acerbic wit but in remembering her I will always remember cousin Barry at her side, his wit maybe just a little bit sharper. To me, Barry and Aunt Arelene were a pair and I enjoyed them. Jen, I haven't seen you in quite a few years but I believe I understand that you have a close bond with your grandma. I would like to visit you and your children (two?). Sue and David, please, if you will, email me so that I may contact you, too. I am so sorry that I was unable to attend the wake (flat tire to fix) and today, the funeral. I would like to extend actual comfort to all: I would love to receive an email from all. Love, cousin Cindy (Ilean's daughter).
