“*Dan, Jim, and Your Families: Treasure the wonderful memories of your dearest mom! She was a beautiful woman to behold. I will always remember her laughter, kind words, and her dear voice saying; "Nitey-nite." :-) I am blessed to have had the pleasure of knowing your mom and sharing so many life experiences with her. She made my grandmother and my parents very happy when she visited Rhode Island and did so many things for them, including planting the bulbs upside down; Big Ed teased her for years after about that adventure!! She also spoiled them during her visits by cooking special meals for them :-) One memorable visit of your mom that stands out in my mind is the one where she went out for a ride with my dad and they came home with a Mercury Cougar much to my mom's surprise! I will never forget the joy your mom shared with my grandmother and parents and the laughter that was a constant measure during those times. A visit from your mom was something we all looked forward to; especially my dad. He would cook for days when he knew Barbara was on her way :-) If you are ever passing through Jackson, Michigan give me a call; 517-789-0105. I would love to see you. God Bless You All, Dott Znosko*

“ Dan, Jim and family. I wanted to take a moment to share in your loss. Maudie was like a second mom to me, and although I'm sad, I'm also very grateful for having known her. Whenever I visited your home in Orchard Village, she made me feel like I was family and welcome at any time. I'm glad that I was able to tell her that and how important her kindness was to me, a few years ago. Maudie and the Marauders will live in my heart forever. Warmest Regards,
Tim
