“ We were deeply saddened to hear of Barbara’s passing. Barbara was a kind and gentle soul. We will always remember our weekly pokeno games, blazing a trail summer walks and our special themed parties. We will hold on to our special memories with so many others, knowing that can bring us all some small comfort in the face of overwhelming grief. I know the grief is greater for her family, but I hope you all can find some peace in your happy memories, too. We extend to you our sincerest sympathies. Nellie, Lynn and Jackie
