“ Your mother was wonderful to me during our high school years. She welcomed me into your home and treated me with love. I wonder if she knew what a troubled home life I had? Seeing how your family cared for each other helped to give me a goal for my life. Having such beautiful times with you and your family gave me strength to live through the horrors of my own family, until I could get away to college. I send my deepest sympathy to Mary Ann, Janet, and their families.

“ We are saddened to hear of Barb's passing. To us she was one of the rocks of the Church and we lost a lot when she relocated to Skaneateles. No matter which committee you were on with her, you could always count on her to express her opinion! Our sympathies to the family. Ken, Jane and Scott
