“ *Jo Ellen and Janice,*

I loved him dearly from diapers to death. I will always remember many stories of fishing, cars, biking, sand lot baseball, " Uncle Amos can we go fishing today" and on and on. We are all going to miss him, Larry, Uncles Morris and Nat and grandpa Abe and Jordan pool in the 1952 Chevy.

Deepest Sympathy,

“ *I first met Barry at the 1977 NHRA Division 1 WWCS race at Cayuga Dragstrip. Barry took me under his wing, and I have fond memories of traveling to many drag races with his SS/PA 1955 Chevy, 'The Buffalo Flash'. Thank you for being you. You were a shining star and a life-long friend. I love you, Uncle Barry. Godspeed.*

“ *It's a sad day to be sure. I always enjoyed being around him to learn his expertise of engine building, great fishing spots, all the good stuff. Bless his soul.*
