“ Jim, Jennifer, Jim, and Sam, Carrie and Don, Aunt Jo, Patti, Bruce, Roberta, and Billy - We are so very sorry to hear about Becky's passing. Even when you realize it's coming it is still a shock. April 23 was the date of my first husband's (Ahmad), death from cancer four years ago....and now Becky's as well. I have many happy memories of childhood days in Fairmount playing and hanging out with all of you and laughing with Becky. I used to love the funny and wacky stories she would tell about delivering mail. I know she stayed so upbeat during the illness and that will forever be a gift to all of you. In your sadness, try to remember and talk about the many happy times. Those are what you will remember the most over time. Tim, Aunt Lee, and I are thinking about all of you and wishing you and Becky peace. We are with you in spirit in these difficult days. Many hugs and love, Aurelia (Renata), Tim, and Aunt Lee

“ *Jim and Family,
I always loved Becky and always will. I don't know if you remember me or not ,Jim, but ,she and I worked at the Chittenango Post Office together and she made it a bearable experience having to work there for me. She helped me laugh about a lot of incidents that took place when we were there in the midst of them. I still have a Christmas present she gave me many years ago.....It is a Psychic Tweety with a turban around its head. I laughed so loud and hard when I opened my present the year she gave it to me because I hadn't told anyone that I was taking Psychic Development classes in Albany N.Y. and in the Syracuse area, but, for some reason Becky had picked up on it intuitively and gave me the perfect gift.....a Psychic Tweety. How appropriate it was then and is to this day because that's exactly the work I've gone into today helping people work through the loss of their loved ones passing. Jim and Family understand that Becky is resting peacefully and watching over you now and will never leave you. Make sure you honor her by doing exactly the things you told her you'd do. Carry on your lives and continue becoming the best you can be at what you know you're good at just like she always did. We were sad and shocked when we heard Betsy passed. We will miss her like crazy.*

Our prayers are with you.....Debbie and Fred Osborn (Cottonwood, Arizona) 4/25/18

“ *Dear Jim & girls, I am so sad to hear of Becky's passing. She was such a true friend and I enjoyed so much working with her at Ped. Associates. We had a lot of fun together and sometimes work didn't feel like work. I will truly miss her and our walks and talks at the Erie Canal. My heart goes out to all of you, Joyce Felicita*
