“ Your family has been and continues to be in my prayers. You raised a beautiful family, Mrs. Rhoads, and I know how proud you were of your children and grandchildren. Now you are in a better place and I know that God will continue to look out for you as you entered his gates. Very sincerely, Kathy Konkol

“ I would like to voice my condolences for your loss. Beda was such a nice person. I am the granddaughter of Beda's friend Mary Rickard. I remember as a child going to see Beda with "Gram". She always seemed to smile and was very caring. I remember wishing we could visit her more often. My thoughts often drift to things I did with my Grandmother and Beda shows up in those thoughts occasionally. I remember her fondly.

“ I will always remember Beda for the time and friendship she gave to me and my family. Beda taught me to crochet. That was a gift that gave me a part of Beda forever.

“ I had just asked my dad a few weeks ago about "Bea" so I was surprised to get a call from him to say she had passed. I have fond memories of her and my family from our camp at Cross Lake. My thoughts and prayers to her family.
