“ Butch,
The memories we had growing up, me getting caught when you forged my name on your pass at school and I got in trouble , the lot car, Hewitts ,stuff Aunt Nellie and Uncle Bernie didn't know the horse radish we had to grind and we cried. The cat that got caught in the furnace fan and it looked like the lawn mower ran over it didn't have much hair left . when we would sneak down stairs and drink the hard cider. Lots of others stuff we never got in trouble for. Going to miss older than me cuz RIP give my Dad a hug save a place for me love ya always
