“ We are so sad to learn of Bernie's Passing.
He was a true Gentleman in every sense of the word, and a treasured a friend.
Bernie and I both worked for GE; He in Syracuse NY and I in Dundalk Ireland.
He was a dedicated Professional in his Engineering Career, with a meticulous and infectious enthusiasm for his work.

We have very fond memories of Bernie and Ann visiting Dundalk and Forkhill. Our work / challenges together, our trips to various scenic areas and gardens followed by Dinner in various Restaurants, Bernie's favourites being Mount Hamilton House in Dundalk and particularly The Forge in Collon where he could indulge in two of his favourite passtimes; excellent / interesting Food and viewing the many fine Paintings in the attached Gallery.
