“ I think of all the many light-hearted hours of years gone by. The years of our youth when we shared with each other our hopes and dreams, the picnics in the pine grove on the farm with Bonnie Jean, Aunt Vi, Uncle Tony, Aunt Louise, Pearl and Paul and their young family. I can't believe she and the other are gone now, but we will all be together one day. They live on in our hearts, memories and prayers.

“ Dear Family of Bonnie, I will never forget the first person Paul wanted to share our engagement with in his family was Bonnie Jean and Frenchie. A sweet dear walked up to the sliding glass doors to share in this celebration! May she rest in peace. Carole and Paul

“ I remember your Mom's laugh like it was yesterday. She and Pearl would come to visit us on the "farm" and their laughter would lift us for days afterward. Bonnie Jean as we called her, had a sensitivity that was only to be outdone by her spunk. She was a very special lady and leaves me with very special memories. I am very sorry for your loss, wish I could have come to tell you this in person. Love yo you all.
