Audrey/Bobby, I worked with Brian in Masimo, we did a lot of jobs together, the picture I posted was taken by me while we were in Vancouver BC, he always had a wonderful smile and shared of himself without a thought. I am so sorry for your loss and my hope is that you will find love, support, strength within your close family and friends, know that his Friends and co workers send their love, support and prayers at this time.

Nice pic of Brian. I worked with him in Montrose Colorado in their ICU. What a great guy and seriously the best RT I have ever worked with. Just found out today, very sad.

“ Dear Audrey and Bobby,

I am saddened to hear of Brian's death and the loss you are experiencing. I want you to know how much I care for you and am grieving with you. In many ways you have been like family to me.

Hopefully, your fond memories and knowing many are ready to lend a shoulder will ease the pain.

In God we trust.

Fondly,

Caroll

Audrey I cannot imagine your sorrow. You are in my thoughts and prayers.

Oh my dear Audrey. I am in disbelief. Words cannot express except that I am so deeply sorry. I remember when we would be together doing Children's Church lessons in your kitchen and he would run in with his arms open wide (in his little pajamas) and want to hug me good night. Now he is being hugged by Jesus! My love and prayers to you and Bobby!

I am so sorry for your loss. I am a neighbor a street over and often walk the block . I always stopped and talked to Brian and petted Ernie (such a nice beautiful dog) on their walks. I could tell he just loved that dog.They were a part of the neighborhood and will be missed. My thoughts and prayers are with you and your family.
