“ *May your tried soul rest in peace 🙏 My candles and prayers are
with you all during this most difficult time. Be strong like bull like
your father would want for you guys. Hold on tight to your loved
ones. Be the three sons your father would want you to be strong
and there for one another. Always look for the signs believe me he is
right by your side. My heart hurts until we meet again Carl 🙏🙏

“ Thank you for showing your grandkids such love. I will remember the little things like how you would message me the night before my birthday so you wouldn't forget. I will treasure the locket you gave me more than I ever have. The fact that you trusted me with a momento of your mother's meant so much to me.
