“ I was deeply saddened to learn of Carla's passing. We worked together in Childrens Division for many years and I became close friends with her and her family. We shared many special times together over the years such as spending summer weekends at the family cottage in Alexandria Bay and many other special things we did together. She was a special person who always went out of her way to help others and I will always remember with great affection the many good times I was able to share with Carla and her family over the years. My deepest sympathy goes to John, Steven and Melissa at this most difficult time

“ Gianni Family,

*This world has lost a special lady and heaven has gained another angel. I have worked with Carla for many years and remember when I first started in Children's Division, Carla was my go-to person who knew everything and was always willing to help me. Even after leaving Children's Division, I still had contact with Carla as she remained involved with us through her daycare position. Carla went above and beyond for the children and families that we serve; and she never complained. I am going to miss her. I am keeping your family in my thoughts and prayers.*
