“ Cheryl, Eddie & Cory, and Family, My heart goes out to you and your family during this very difficult time. We're thinking of all of you, and hope that if you need anything to give us a call. I know that this poem always helped me when a loved one died. And I hope these words help in some small way. Our love always. Brian, Jessy & Kiah & Taylor Hudon Weep not for me now that I have passed. Remember the laughter, the affection, the joy not just the recent tears. Cherish the memories, our hopes and dreams. Hold fast to the love that we shared. Be happy with the time we spent together and being anew. For I am not really gone, I am closer than ever before. As the morning sun rises and throughout the busy day...I am with you. Until the setting sun disappears on the horizon and we watch the day turn into night...I am here. You may feel a faint breeze stir round your head, while you slumber as I gently kiss your forehead, "Good night." The stars that shine so brightly in my heavenly sky help me watch over you and keep you from harm. I am the wind in the trees and the song of a bird. I am moonbeams in a midnight sky and a glorious rainbow after the storm. I am morning dew and freshly-fallen snow. I am a butterfly flying overhead and a puppy happily at play. I am a smile on a stranger's face a gentle touch a warm embrace. Listen to the wind for my message of love. Watch the sun rise and set in the sky with me. Feel my essence encircle you with warm memories. Open your heart to know...I am not gone. Reach deep into your soul...You will find me. I am here. Have no fear. I am with you, Always.
