“ I had the great fortune to work with "Catie" during my years teaching at Hazard Street School in Solvay. We became friends from the moment she stepped into my classroom. No day was complete until the two of us weighed in on the day's events while she worked to make my classroom an inviting place, and I would be organizing and setting the next day's plans in place. When I took a medical leave, Catie called me each week and visited me at home several times. She kept me current on all the Solvay happenings and asked after each of my family members. In later years, we had dinners together on my concert nights and shared a lot of great memories. I will miss this lovely lady and dear friend in whom I could always trust for her kindness and wisdom. Rest easy, sweet and gentle friend, and watch over all of us until we get there. I love you.

“ Please accept my condolences for Catherine's passing. I had taught at Hazard St. School, Solvay, for all of my career and had gotten to know Catherine well. She was a lovely lady with a constant smile on her face, so friendly, and so willing to help out any time. After school hours, I looked forward to chatting with Catherine; it was a nice way to ease out of hectic work days.

Fondly,  
Lud Ferrante

*Ty, Mrs Ferrante, She Really enjoyed all of you. You all made her feel like a second family and her and Esther Ponza became best friends and had a wonderful friendship. I know they were so happy to see each other again. I'm sure I gave you some of those hectic days . Lol. You were an amazing teacher to me. Jessica and I appreciate these kind words from all for our Grandmother. ❤️*
