“ I knew Chuck in Georgia in the Air Force. I live in Mass and am driving buses now. I just now am doing a charter to Syracuse University . I knew Chuck originated from this area, so I Google his name, on the off chance i'd connect. To my horror I got this obit instead. I can'tell believe how saddened I am about someone I left 39 years ago. I loved the guy and have too many great memories to get into.....Mike Caron Springfield mass

“ Therefore the redeemed of the Lord shall return, and come with singing unto Zion; and everlasting joy shall be upon their head: they shall obtain gladness and joy; and sorrow and mourning shall flee away. Isaiah 51:11 But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope. For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him. I Thessalonians 4:13,14 Father God, comfort the family of Chuck Ryan

“ May these scriptures bring comfort to Chuck's family and friends...
When thou passest through the waters,I will be with thee;and
through the rivers,they shall not overflow thee:when thou walkest
through the fire,thou shalt not be burned; neither shall the flame
kindle upon thee. Isaiah 43:2 And God shall wipe away all tears
from their eyes;and there shall be no more death, neither sorrow,nor
crying,neither shall there be any more pain:for the former things are
passed away. Revelation 21:4 We have lost a good man but will see
him again,sooner than we think. Shalom...

“ To the Ryan family and friends: Untold sympathy goes to each and every one. There are no words to express my heartache and tormented grief. I will carry this till the resurrection. Chuck was one of the great-est men I have ever known and sadly, I let him slip through my fingers. I will always regret not accepting his proposal and was so excited about spending Christmas with him. In April, he told my sister I had been the love of his life. I have lost the love of my life. Maranatha, Lisa
