“ I am cousin Danny's daughter. I just found out that Clem has passed. Myself and Giselle (whom Clem talked to from time to time) had just been talking about planning a trip to pay him a visit. What a shock this is. I remember fondly talking with him about fishing, and his and my Dad's stories about growing up. I remember when we'd come up to visit years ago and how he loved that cat of his. Always a gentleman. How I wish I had made the trip last year - I wasn't working so many ridiculous hours anymore and was thinking of coming up way back then. I am so, so very sorry.

“ Dear Karen and family, It has been a long time since I have seen you, however, every now and then I would run into your Dad at the grocery store. He always told me about you and your family. I just wanted to extend to you and family my sincerest sympathies upon your dad's passing. Hope to see you someday. Sharon Matyas

“ Karen and Family, I was so saddened to hear of your Dad's passing. I was just thinking about him a few days ago, when I made flight reservations to Syracuse, and was planning to stop by and visit him too at St. Camillus. Your Dad was such a kind and patient man, and so good to all of us kids growing up on North St.--even when we were not being our lovable best! He was a wonderful neighbor and faithful friend to my Mom and Dad, and a gave them so much support during their illnesses and deaths. Mom and Dad both appreciated his friendship so very much. My thoughts and prayers are with your family, and for your Dad, who I know is enjoying his reward in heaven and smiling down on "his girls". You were all the joy of his life. Susie

“ Dear Karen and Family It brings great sadness to hear of your dads passing. I will always remember sitting and talking to him and Bob Kennedy in the driveway or as your dad passed by the house he would stop and chat. He was a good friend and neighbor and he will be missed. I know that your dad is in good hands now sitting with your mom and watching over all of us. Our prayers are with you and your family Bob Ryan and Family.

“ To Clem's family- I worked with your Dad for many years at Lincoln, which then became Chase-Lincoln. I haven't seen him in years, and was sorry to hear of his passing. He was a lot of fun, but hard-working. Most of all, he was a good man.

“ Karen & Family, So sorry to hear of the passing of your Dad. He was a big piece of childhood for all of us. We were lucky to have him as part of our lives, a good and decent man, he will always be included in the happy memories of the "old days" on North Street.

“ Karen and Dave, and girls, My world stood still last evening when Lisa called me about your Dad. Dooley said it best, "a good and decent man", very much a part of our happy childhood. I still have the mother duck and her ducklings (lawn ornaments) that your Dad gave me for my own children to enjoy. I remember your Dad being so patient with the innumerable Kennedy and Ryan kids. (A snowball breaking the glass pane on the outdoor light, hide and seek in the dark through the lawn and flowers.) Your Dad and Mom took Susie and me boating on the river - what a treat that was. I especially will always appreciate his kind attention to our father when he was at the Francis House. My thoughts are with you. Please know he will be missed, and always remembered with fondness. “ Karen, although we didn't see your Father a great deal he was always there when Sharon and Bill Kenney held a gathering for good times or bad when either my Mother, Etta May Tripp' and/or Father came to town. Your Father was always such a positive person regardless of what was happening. A truly fine man. Our thoughts and prayers are with you.
