“ I remember the day we found out we were having a baby girl. We were so happy you told me you were going to start your gun collection now that way we were prepared. I couldn't have asked for a better daddy than you for her you showed her unconditional love how to be strong and how to hunt I could go on and on but it would take a day to finish rip Baby daddy

“ I will forever be grateful to you, if it weren't for you my brother may have died in a fire at my grandparents many years ago. I will always remember Eddie, Derek, and Clint hanging on toad harbor road with Katie and Lucie. My cousins and I always wanted to be like the "big kids." We wanted to hang with you all every chance we got. May you rest in peace and fly with the Angels.

“ This is surreal. There are too many memories to share growing up with Mr Bones. The tragedy this family has endured is insane. My true thoughts are with everyone in his circle... especially his sisters Christine and Jennifer.

“ Mr Clint . I didn't see you much when I did you were always smiling. You helped me many times when I was disabled and also after I healed you would call randomly asking how I was and if I needed anything. He always asked if I had a cookies for payment of working on my car or lawn mower. Crazy lawn mower man he was wanted to make my rider a racer.lol. He will be missed
