“ Connor was a student of mine last semester at OCC. I would also frequently see, talk to and joke with him when I was shopping at the grocery store he worked at. Always looked forward to seeing his smile and enjoyed our interactions. He was a terrific young man who made a very positive impression on me and so many others! I feel blessed to have known him!

My deepest condolences to his family and friends.

“*Connor was not only an amazing person to work with, but also one of the best friends a person can have. We talked almost every day over the last few months. We supported each other and genuinely enjoyed each other's company. He is gone too soon, but I will forever be grateful that I had the opportunity to be a part of his life and have him be a part of my life. He will watch over everyone with his kind smile.*”
