“ Gerry, We know the pain and heartache that you are going through. As we know, it is so painful to lose a child, even if they are grown. If you need us, we will be there.

“ My deepest condolences to the family. I was a friend of Gayle's in high school and I remember Craig pulling up to the house on his bike with his black leather jacket on. I thought he was so cool. I think he worked at the pizza place also when we were all mall rats. So tragic. My prayers go out to his family. RIP Craig

“ *Rest Well my Friend. I never met you but your memory was spoken of in the most noble manner possible. As you walk along the path in heaven, we will remember the good you passed along to us. I'll stand you watch down here in your honor until I'm relieved of duty. I become a Shriner today and as I click off the years, I'll remember you with a smile on my face. Our bond.*

“ *Dear Robert's family, I was so saddened to hear of Craig's passing. He and his daughters lived across the street from me for several years... both of his girls are former students of mine. I always missed him and his family after they moved away from Camillus. Sending sympathy, much love and prayers for comfort at this unexpected time of loss. Y. Rugg*
