“ Wayne was a great neighbor and friend. A few years ago we rebuilt my woodshed, which became a bigger project than expected. It turned out great and will probably last hundreds of years!

“ *Dear Wes & Danielle, Dustin, and Burgess Family,  
Carol & I were saddened to learn of your Dad's/Wayne's death.  
Good memories of picnics at the Burgesses in Darien, and at your  
home on Reynolds Rd where your Dad & Mom built a wonderful first  
house for you both. I recall playing softball and driving an old, beat  
up, but fun, car around the alfalfa field. Afterward there was always  
an abundant feast.  
Wes & Dustin, I am proud of you both and want you to know how  
much you are loved!

“ To Wesley and Dustin, I'm so very sorry to learn of your Dad's passing. My memory of Wayne is how nice he was to Robert when he was a kid and used to stay with your parents when he was a kid, before you boys were born. He would take him "ape hunting" and Rob would be thrilled. Good memories are to be treasured and help us in these times and after. Peace to all 😊
