“ My childhood after-school memories have lots of Curtis Yale in them. All the neighborhood kids ran around, played football and laughed and laughed. Curtis did a lot of mischievous things the rest of us wished we had the courage to attempt. His fireworks at Otisco Lake every 4th of July were a highlight for many. When you can make someone smile in this life, you've accomplished something. God bless you Mrs. Yale, Marybeth and Spoof and give you comfort in your loss. Kevin and Heidi Murphy (Paris)

“ Mrs. Yale, Marybeth, & Spoof - it has been many, too many, years since we have seen one another - but my mom told me about Curtis' passing and I wanted to reach out to you and let you know I was thinking of you, and sweetly remembering my childhood with all of you - you were my second family - and Curtis was the younger brother I never had. My memories of all of us growing up together are priceless, and wonderful. Life seemed so easy and carefree, be it swimming in your pool, riding bikes, playing kickball, going to camp, Cherry Road School, Ronnie, sledding at the rez and ice skating everywhere and anywhere, trick or treating or Christmas morning - you all allowed me the sweet pleasure of sharing in your family life and I treasure all of the memories. I wish you all peace and healing in this difficult time - and send you my love - Anne

“ My deepest sympathies to Curts family. Curt was the greatest friend you could ask for! He was always there for me, and I tried to be there for him, as well. We spent many evenings watching the sci-fi channel, or talking about the most bizarre things. He was a one-in-a-million!!!!!!! Curt didnt care what anybody else was doing, or thinking. He also fought so very hard to get his strength up, before the disease took over. MY HERO Curt saved my life one time, for sure. That one is on video. He will always be with me.
