“ *Please accept our deepest sympathies on the passing of Dale. Known to us a guy with a big heart, a great sense of humor and an unwavering cool, calm and collected demeanor, Dale made us all feel genuinely glad to be in his presence. And that shy - sly smile of his was the tip off that something hilarious was about to be occur. May his family find peace knowing just how much he was admired.*

“ *I just learned today that Dale passed away in December. I worked with Dale for almost 20 year. He with the VA and I with the DAV. We had lunch together daily and shared our love of family and other things. He was always there with an ear for listening and for helping a friend in need. Sadly, after my retirement from DAV in 2003, we lost touch until a lunch meeting several years ago. He was a kind and decent man who loved his family dearly. I know he will be missed by all who knew him. My deepest condolences to the family. Rest in Peace My Friend.*

“ *Such a shock! I got to meet and know Dale back when he was the President of WOYSA and got to really know him even more the last 14 years as Dale and I got to watch the West Genny Wildcats take the soccer field from the booth. We had some great laughs and conversations about everything from the weather, our jobs, politics, soccer, our kids and especially our grandchildren. I will look back on those days very fondly and when the 2020 soccer season starts it will not be the same without Dale.*

Our sincere condolences to all the Gifford family.

“ I want to send my deepest sympathies and prayers to Sue and the rest of the Gifford family. I had the pleasure of not only serving with Dale on the WOYSA Board but also competing against his teams on the field. I say "competing" but even though we were very respectable, we were never really that competitive with Dale's teams.

I learned a lot from Dale and following his lead into travel soccer led me to many of the most rewarding and worthwhile moments of my life. To borrow Doreen Bronchetti's phrase, he was a kind, good man. May he rest in peace.

“ *Dale will never be forgotten, a smart, funny, loving family man. I'll always remember afternoons at Carol's, on Brown Street or Stancliff Road, laughing uncontrollably with Dale as the ringleader, priceless. Rest In Peace my friend.*
