“ Dan was a great man! His heart as big as the world--he never turned anyone away who needed anything,with so little if anything in return. As the raindrops from heaven join my own,we will all struggle with this emptiness forever. Danielle always know you were always the happiness in his life--he never tired of talking about how much he cherished and loved you & your sisters. He joked about you being his greatest achievement in this world,he spoke with all the pride a Dad. He wanted to be able to give you the world, a business something to make sure you were provided for. Dan will forever be in our thoughts and prayers for the love and sacrifices he made for us. To the family may God Be With you All!!!Funny how the emotions run so deep that there just are no adequate words. With My Deepest Love; Laurie Good, ZOIE & Family

“ To my dearest Dan. I miss you more than you will ever know. You promised me we would be together forever. I just don't understand. My deepest sympathy to all of the family, most of whom I have not met. Especially Danielle, my heart goes out the most to you. Your father loved you more than life itself and he told me that many times. I have alot of happy memories of us together and I am trying to concentrate on that. Again, my sympathy to all of the family. He was a great guy with a very giving heart, the best I have ever met. He will be missed by all. All My love Always Jill
