“ *It's been several years, but Dan will always be etched in my mind. The bonfires on the beach, snorkeling, Dan's love of the Montreal Canadiens. At the time, we didn't or couldn't understand his passion for life. May he rest in peace with your mom and dad. Bless you and your family.*

“ *Jack, so very sorry to learn of your family's loss of Dan. "Dan the man" truly was a remarkable person who inspired us all to be better people! He faced adversity, never complained, and delighted us all with his sense of humor. "I am me, wheeeee!" I recall him saying! He celebrated in his uniqueness, as did those of us who were fortunate enough to know him. May he rest in peace, and may you know we care. Love, Cathy Isaac Schaffron*

“ *Oh, Jack, I was so sorry to hear of Dan's passing. I have so many memories our collective time together at the Islands... He remained a part of our lives for so long - we all grew up together. May it bring you comfort to know that Dan will remain special in our hearts. God bless you and your family, Linda (Isaac) Prentice*
