“ I just read of Dan passing. He was a nice young man when I knew him from art classes at West Genesee High School. We sat across from each other and always had alot of fun. Rest in Peace, Danny - too young but fondly remembered and never forgotten. I had tried to look him up on fb in May and sent a message to what turned out to be a cousin... now he knows I wanted to say hello at least... Peace and healing to Amy, his children and all family.

“ The Blanchard family wishes to send out deepest sympathies to Dan's family. It's never easy to lose a loved one, but God said that he is the great comforter and your rock... All you have to do is ask, and it will be done. Lean on Him and He will give you comfort in this time of remembering all the great things Dan is known for; and smile when you do.

“ I am very heartbroken to hear of the passing of my friend Dan. He was one of the greatest people that I have known all of my life since I could remember as a child. I know he leaves a great family whose love for him gave him strength through his last time here. We all prayed hard for Dan's recovery and now Dan is in Heaven where good people belong! God Bless Dan, his family and all of us who grieve through this time. I am sorry I cannot be there but know my heart I am with all of you. With Deepest Sympathy, Sam Strazzere and Family

“ I just wanted to say how sorry I am over the loss of Dan. He was my Dads best fiend and truly seemed like an amazing man. I am praying for the Scicchitano family for healing. I know Dan free in heaven! The family is forever close to my prayers. "Whenever I am afraid, I will trust in You. In God, I have put my trust- I will not fear, What can flesh do to me?" Psalm 56:3-4 "For I am persuaded that neither death nor life, not angels nor principalities, nor powers, nor things present nor things to come, no height, no depth, nor any other thing, shall be able to separate us from the Love of God which is in Christ Jesus our Lord." “ Vicky and kids: In the 7 years at K&K, I don't need to tell you what Danny meant to me. Always the voice a reason and sense, he would talk to me and make situations not seem so bad. I was crushed when I heard the news. May Danny always live in your hearts as he will mine. May you find comfort in each other and find peace. You are all in my prayers. Take care of yourself and each other. Bless you Beth

“ It is with heavy heart that I write these words. Although I only had just begun to know what a great guy Dan was, I had to agree that we were kindred spirits. We became fast friends, and I regret not being able to become closer. I never met his family, but my heart and prayers will be with them all. All things happen for a reason, my hope is that as his loved family, you can all carry his spirit with you always. All the best wishes from my family to yours. Scott Emerson
