“ Daniel T. had the most beautiful, infectious smile and laugh that brightened up every room that he walked into. I'm going to miss, along with so many other beautiful things about him, the "Daniel hug" every time I saw him. I can only imagine what you, his family, is going through. As one of them, I know what his friends are going through and it's devastating! My Prayers and Thoughts are with you All! May he Rest in the Peace that he worked so hard to spread to so many others. My deepest condolences to his family and friends.

“ I didn't know Dan for long but the little time I knew him he had a tremendous effect on me. He was one of the most caring people I knew. He was a beautiful soul and there is not enough space here to describe the many amazing qualities Dan exhibited. Too early...perhaps one day we will meet again. RIP

His beautiful contagious smile, his genuine heart and hugs, his want for others to recover just confirms to me that he was a earth angel sent from our Creator to teach us.....and that he indeed did and will continue from the heavens. Thank you for our teachings. May Daniel's family find peace in the fact that he helped sooo many people on his journey. Xoxoxo
