“ Dear Mrs. Elleman, Hollie, John and family, Please know that our thoughts and prayers are with you during this difficult time of the loss of your husband, father and grandfather. I remember with great fondness the many times that we spent together (campaigns, parties and parades) during our "youth". I also want to express my appreciation for the significant contributions of time, expertise and service shared by Mr. Elleman to make our Upstate New York community the special place that it was to grow up and call our home. “ Dave was a great leader, but more importantly a great friend whose wisdom and counsel will be greatly missed. Ruth has lost a great companion but the rest of us have lost a sole mate who always took the time to guide us on our way. Dave's contributions to life will live on for ever. My Dave rest in peace for a life well done.

“ Mr. Elleman hired me out of LeMoyne College in 1983. He believed in me and promoted me whenever the opportunity arose. I owe my 30 year career at the Comptroller's Office to him. He was a great person to work for and I am grateful that I had the chance to know him. Rest in peace Mr. E, you will be missed.
